

There are many Christians around the world today who daily have to choose between following God or following the leader of their country. For many Christians in other parts of the world, it is illegal to have a Bible or go to church. With Shadrach, Meshach, and Abednego in mind, write out a prayer to God to help those believers in other parts of the world to keep standing strong in their faith, to be protected by God, and to be an example to others of how great and mighty our God is.
